<u>Violation Number</u>	<u>Nature of Noncompliance</u>

| 1 | The offender has violated the supervision condition which states 'As a condition of supervision, you are instructed to pay a fine in the amount of \$1,000; it shall be paid in the following manner: At a rate of not less than \$50.00 per month.' |

The offender commenced his term of supervised release on August 31, 2007, and has paid a total of \$550.00 toward his fine and special assessment. The offender is currently in compliance with the Court ordered minimum amount of \$50 per month. Johnson has been monitored closely regarding his payment obligation and it appears he has paid to the best of his ability. Johnson has been gainfully employed with an employment agency who has assigned him to various warehouse jobs. During periods of unemployment, the probation officer was satisfied the offender made every effort to become re-employed.

**U.S. Probation Officer Action:**

The undersigned will continue to make every attempt to collect payments toward the fine obligation prior to the conclusion of supervision on August 30, 2008; however, in the event the balance is not collected, the probation officer posits Johnson has paid to the best of his ability. It is recommended the remaining balance of \$550.00 be collected by the Financial Litigation Unit of the United States Attorney's Office.
